## **RESEARCH EXPERIENCE**

July 2007-present

*Enhancing Quality in Psychiatry with Pharmacists (EQUIPP)*  
Co-Investigator, Lead Clinical Pharmacist  
UNC Investment for the Future Award  
UNC Hospitals  
University of North Carolina at Chapel Hill  
Principal Investigator: Lea Watson, MD, MPH

September 2006-present

*A National Assisted Living Community-Based Participatory Research Partnership to Improve Medication Management in Assisted Living Facilities*  
Lead Clinical Pharmacist  
Program on Aging, Disability, and Long-Term Care  
Cecil G. Sheps Center for Health Services Research  
University of North Carolina at Chapel Hill  
Center for Excellence in Assisted Living  
Principal Investigator: Sheryl Zimmerman, MSW, PhD

April 2005-present

*Determining the Quality of Medication Use in Older Adults*

Co-Investigator, Study Coordinator, Lead Clinical Pharmacist  
National Institute on Aging-Funded Study  
Eshelman School of Pharmacy  
The University of North Carolina at Chapel Hill  
Principal Investigator: Mary Roth, PharmD, MHS, FCCP

July 2004-May 2005      *Development and Refinement of a Data Collection Form:  
Determining the Quality of Medication Use in Older Adults*  
Specialty Resident Research Project  
UNC Hospitals, Eshelman School of Pharmacy  
The University of North Carolina at Chapel Hill

August 2003-2005      *Causes of Racial Disparity in Blood Pressure Control Among  
Hypertensive Patients in a Primary Care-Health Center*  
Research Assistant  
UNC Program on Ethnicity, Culture, and Health Outcomes  
University of North Carolina at Chapel Hill  
Principal Investigators: Michael Fisher, MD, MPH  
Philip Sloane, MD, MPH

June 2003-April 2004      *Appropriate Use of Calcium, Vitamin D, and Antiresorptive  
Medications in Osteoporosis-related Fractures: A Drug Utilization  
Evaluation*  
Pre-Residency Track Student Research Project  
UNC Hospitals/Eshelman School of Pharmacy  
University of North Carolina at Chapel Hill  
Mentors: Debra Bynum, MD, Susan Kent, PharmD  
Mary Roth, PharmD, MHS

June 2002-2003      *Assessing Medication Needs in Community-Dwelling Elders*  
Albert Schweitzer Fellowship Project  
Principal Investigator: Mary Roth, PharmD, MHS  
Co-Investigator: Jena Ivey, PharmD Candidate  
Collaborator: Kate Barrett, MSW, LCSW  
UNC School of Pharmacy, Orange County Department on Aging

## **TEACHING EXPERIENCE**

### **Experiential**

August 2007-present      Faculty Advisor, First Year PharmD Students  
Eshelman School of Pharmacy, University of North Carolina

June 2006-present      Faculty Mentor, Fourth Year Doctor of Pharmacy Candidates  
Clinical Scholars Program  
Eshelman School of Pharmacy, UNC Hospitals

April 2005-present      Preceptor, Fourth Year Doctor of Pharmacy Candidates

Geriatric Pharmacy Practice and Research  
Eshelman School of Pharmacy, UNC-CH

**Didactic**
